

IMC Clubs - IFR flights start to missed approach

Over the past few months we have looked at individual parts of an IFR flight. This month we are going to take some time to look at the entire flight, start to finish. Come spend some time looking at some of the overlooked parts of an IFR flight, from takeoff to missed approach.

Directions: Take I-470 to Exit 9, Douglas Drive / Lee's Summit Road turn north. Ignore all of the barriers and Road-Closed signs. The road is open to the airport. At the bottom of the hill, turn right and wind your way past a few more barricades, and follow the road to the end. The hangar is on the west side of the parking lot next to the Cessna on a post.
